

Holly Ridge Middle School

Alternative Fundraiser

We on the PTA at HRMS understand how busy everyone's lives have become. Year after year, the PTA has the task of raising money to support ALL our students and teachers in ways that the county and state funding cannot. This year we thought we would add a little humor to our fundraising. We hope you will appreciate this alternative fundraiser.

As always, thank you for supporting The Ridge!

___ \$25 I don't want to buy, nor do I have the time to bake cupcakes, so here is the money I would have spent either baking or buying.

___ \$50 I really do not want to walk, run, swim or really anything that requires physical activity, here is the money I would have spent on registration and my "free" t-shirt.

___ \$75 I do not want to hit up friends, family or co-workers to buy wrapping paper, candy or trinkets.

___ \$100 Let's be honest, with all my kid activities, homework, and social lives, I really would not have volunteered at all, so here is \$100 so you forget my name.

\$___ I am making this donation because I appreciate all the hard work the PTA does, how hard our teachers work, and how much time you all spend to help me raise my child.... Oh I almost forgot!! Thank you for offering this alternative fundraiser, where I have nothing to buy, sell or do except fill out this form and turn it in.
