Plan is to open 4 new schools in 2020; numerous others as part of the 7-year plan including FV, Apex and HS.

- ✓ Comparison of geographic impact on traditional vs. multi-track
- ✓ Plan would align base E school with base M school (calendar alignment)
- ✓ Some schools would be changed (traditional/YR)
- ✓ Green Level HS will open with grades 9-10, draw from Panther Creek base

4 pillars of Operational Efficiency

- a) Increase base attendance area
- b) Address schools with enrollment caps
- c) Adjust calendar application areas for improved utilization and greater acceptance rate
- d) Review base assignments in downtown Raleigh and the surrounding area

No changes to grandfathering rules from last year (except timing - now Nov/Dec) - 5th & 8th grade (and siblings for 1 yr.)
