3. **Principal's Report:**

The school has hired a new 8th grade math teacher, Andrew Rsuk and a new PE teacher, Lauren Menton. The Spanish teacher is transferring to a new school and the school will be hiring for that position also. The position will have a long term substitute through December.

Holly Spring Road will be undergoing road construction starting in January and this will alter the carline for pick up and drop off. The line will flow much like it does when there is a dance.

4. **President's Report**

We will have concessions through Basketball season but not for sports in the Spring.

Coach Moss is having a mural painted in the gym and is interviewing artists now.

Memberhub marketplace is a feature promoted by Memberhub in which people can advertise their business on the site and the school makes some money as a kickback. Stacy talked about this maybe taking the place of the "corporate sponsors" we have with our current PTA membership program.

The paint used to paint the rock outside needs to be stored in a fireproof location. Its current location is not approved by the fire marshall. Cassie volunteered her home if the amount of paint to be stored is not much.
